GRAZ

DIGITAL SIGHTSEEING WALK

The beauties of Graz – a digital sightseeing walk through the city centre of Graz

This interactive multimedia guide will become your personal travel companion in Graz. The guide leads you to the amazing beauties of Graz city center and tells you exciting and funny anecdotes about these beauties. There are also tricky questions to answer at each station. When you have solved all the quiz questions, you will receive a small gift from Graz Tourism Information Center (Herrengasse 16, Graz).

How it works:

- Download the locandy app – available for iOS and Android and install the app
- Start the tour with a QR code search
- There is no internet connection required for the tour, content is automatically opened at the respective stations via GPS.
